

20 Jun. 23

Interaction of Prospective Ph. D students

Having qualified various competitive examinations/fellowships (SET, NET, CSIR-JRF, GATE, DBT-JRF and INSPIRE fellowships as per the University notification for the year 2023), the following students fall in the exemption criteria for entrance examination for admission to the Ph.D programme in our Department.

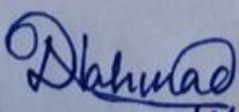

- | | |
|----------------------|-------------------------------|
| 1. Aisha Shabir | 9. Irba Ayani |
| 2. Anup Kirar | 10. Kawsar Mushtaq |
| 3. Asif Ali | 11. Naeem Ahmad Pathan |
| 4. Asima Amin | 12. Nazir Ahmad Kotay |
| 5. Aubaidah Akhtar | 13. Peerzadi Mehakshan Shafat |
| 6. Azka Manzoor Khan | 14. Saima Rasheed |
| 7. Bisma Hassan Bhat | 15. Shabnum Rasool |
| 8. Humairah Wahid | 16. Tabasum Fatima |

The shortlisted candidates are therefore advised to meet the faculty members from 22nd to 23rd June in the Department to know the ongoing research activities in their labs. This is an informal interaction and students will have to face a formal interview and other criteria for their final selection.

Any student meeting the above-mentioned eligibility criteria but is inadvertently missing in the above list, may kindly contact the Biochemistry Department office with the supporting documents latest by 23 rd June 2023.

Total four positions are available for this academic session. The prospective students may contact the following teachers:

1. Prof. Nazir A Dar
2. Prof. Shajrul Amin
3. Dr. Shaida Andrabi

Head, 
20/6/2023
Department of Biochemistry
