1. The committee discussed the criteria for the selection of the candidates for admission to the Ph.D programme, in response to the Admission notification No.F(Ph.D Adm)RES/KU/25 dated 29/04/2025. Based on the eligibility criteria (JRF,NET-AP, NET-Ph.D, GATE,SET,SLET, NET previously qualified) a total of 25 candidates were shortlisted for the interview, and 18 candidates (including 3 NET-JRF) were present. One student namely Reyaz Ahmad Dar was found to be ineligible as he had not qualified any test of eligibility. Based on the academic merit of the students and their performance in the interview, the committee thus recommended the names of 4 students for admission to the Ph.D programme for this admission cycle. Four students were also recommended for the waiting list.
2. The registration case of a Ph.D scholar **Ms Kaneez Fatima** was also taken up for discussion. The committee observed that the registration of the scholar had expired on 15/04/2024. The members expressed their displeasure that the candidate had not applied for re-registration within the stipulated time. The case was thus returned to the concerned supervisor for providing a justification.
