IISER-T/PhD/B/August 2019

19th June, 2019

Dear Rahail Wani,

We are pleased to inform that you have been selected for admission to the Ph.D. program (**with Institute fellowship**) in Biology for the session commencing from 1st August 2019 at IISER Tirupati. Kindly treat this as your official admission letter, as no separate letter will be sent by post. And we want to welcome you to the exciting research programmes of your choice at IISER-Tirupati.

Please bring your original certificates and transcripts in support of your academic qualifications and eligibility along with one set of attested photocopy of each and four passport size photographs.

This offer of admission is **confirmed** only after meeting eligibility requirements and production of required certificates in original at the time of admission. The semester fees have to be paid within one month from the date of receipt of the offer letter. Fees structure will be emailed to you upon acceptance of the offer.

Students eligible for research fellowships such as UGC/CSIR-JRF/NET, DBT/ICMR-JRF, INSPIRE, NBHM etc. will have to activate their fellowship from respective agencies (institute funds can't be availed), immediately after admission to the doctoral program.

We encourage research scholars to opt for hostel accommodation inside the campus. HRA is admissible as per the rules of respective fellowship for those who don't avail this option.

Please send the signed **acceptance form by email at the earliest, within 15 days** of the date of receipt of this offer letter. Please feel free to contact me (aracademics@iisertirupati.ac.in) or Chair-Biology (bjrao@iisertirupati.ac.in) if you have any concerns or queries. We look forward to your joining the IISER Tirupati family.

Regards,

Assistant Registrar (Academics)

OFFICE OF GRADUATE AND PROFESSIONAL ADMISSIONS

April 17, 2023

Muzamil Mushtaq
National Centre For Biological Sciences, Kodigehalli,
Bangalore
Bengaluru, Karnataka 560065
India

Applicant ID (UIN): 671217480

Dear Muzamil,

Congratulations! I am pleased to inform you that you have been admitted as a student to the Biomedical Sciences PhD program at the University of Illinois Chicago (UIC) beginning in the Fall 2023 term.

The Graduate College requires that each degree student work with a department advisor in selecting courses. Details on advising will be communicated to you by the department, if they have not already done so. Available for students admitted to the University is my.UIC, a portal designed to assist students with the admission to registration process. Please go to go.uic.edu/gradadmit to access my.UIC, if you have not already done so. We encourage you to visit the portal regularly to check your messages and obtain new information.

Newly enrolled students are automatically enrolled in CampusCare, the University-sponsored health benefits program, when assessed the Student Health Insurance Fee along with the tuition. Consult the CampusCare website at campuscare.uic.edu to obtain information about the program including permissible reasons to have it waived.

You have been classified as an international, nonresident student of Illinois. This status is for a person who is a citizen or permanent alien of a country other than the United States, who expects to return to a residence outside the United States, and either is, or proposes to be, a temporary alien in the United States for educational purposes only. As an international student you are required to see an advisor in the Office of International Services (OIS) at UIC to verify your current immigration status upon your arrival at UIC. Failure to do so may jeopardize your stay in the US. Any questions or concerns regarding your immigration status should be addressed to OIS.

Your admission is conditional upon receipt of certain required documents. If you are currently completing your bachelor's degree, you will need to submit a final, official transcript. If your admission is based on unofficial documents, we will need to receive official documents. The required documents that must be submitted are listed on your application status page. See our Admitted Student Guide at go.uic.edu/gradadmit for submission details. For specific questions about your admissions status or required documents, consult the Office of Admissions at (312) 996-4350.

Admission to the Graduate College is for a specific term. However, if you wish to defer admission, it is possible that you may do so for up to one year without reapplying. Please contact your department with any questions concerning deferral.

Again, congratulations! We look forward to providing you with an outstanding education.

Sincerely,

Karen J. Colley
